

LOVING SUMMER is live in ...

I have to be completely honest, , and tell you that I'm freaking out a little bit. Actually, make that a lot. I'm freaking out a lot.

But, I'm also so very excited!

ARCs went out this week and I thank those of you who have already downloaded and started to read my book baby. Early feedback on **Loving Summer** has been positive, which is fantastic. *Yippeeee!*

My wish is that when people read Kate and Oliver's story, they enjoy an escape from the real world for just a little while. If my story can give someone that mental time away, I'll truly feel that my work has been a success.

It's here

I finally received my book in paperback!

I can't explain the feeling of collecting my debut novel from the post office. The excitement was overwhelming and so was the anxiety over the cover design and wrap. You see, I designed and created the cover. It's the first time I've done anything like it and I was worried about measurements and colour choices.

It turned out so well. I love the red, the feel of the cover and the look of the interior.

At the moment it's all about Kate and Oliver's release, as it should be. However, I also wanted to share that I've recently typed 'THE END' on the second book in The Summer Twins series. *Wooooohooooo!* This novel features, Kate's brother, Toby, and I think you're really going to enjoy his story. I'm currently reading it through, before sending it out to my beta readers for feedback.

I'm back at work now, after enjoying an extended break, which means I have to juggle my writing around my job and my family. While I'm extremely thankful to have a job that I enjoy, I feel a little torn because I would love to be able to devote all of my time to my family and my writing. The limited time I now have means stories will take a little longer to get done.

Lastly, I want to thank you for taking this journey and sharing this brand new experience with me. It's been amazing so far, with such great support which I truly appreciate more than I could ever say.

How about a snippet?

My God. *Finally!*

From the minute he walked into my home and I smelled his woodsy masculine scent, I've wanted him to kiss me. To touch me. To show me he meant everything he said to me after the pier.

When I saw him in his suit, I'm pretty sure I stopped breathing—holy hotness! I've always been a sucker for a guy in a suit, but Oliver takes it to the next level. I didn't think it could get any better, but he took off his jacket, undid his tie, and rolled up his sleeves.

I think I may have had heart palpitations.

The hotness level skyrocketed one thousand percent—it was as though all my arm porn fantasies came to life, right before my very eyes. Now, as I feel his warm, muscular body pressing against mine, I want to turn around and absorb every bit of him.

As he kisses me, the rasp of his short beard feels delicious against the sensitive skin on my shoulder. The delicate kisses make me feel like I'm precious to him. Losing my grip on the plate I'm washing, it drops into the sink, and I tilt my head, giving him better access to my neck. His kisses heat my blood and goosebumps cover my flesh. I can't go another minute without touching him. Turning around, I lift my arms around his neck to pull him closer. I'm so lost in him that I forget my hands are wet, running them through his thick hair, which he doesn't seem to mind. Wrapping his arms tighter around me, he squeezes me as close as he can to his body, deepening our kiss. Our tongues mingle, mixing our tastes, and our breaths. It feels astonishingly right—I want to keep doing this forever. He moves his hands to my waist, picking me up as though I weigh nothing, situating me on the bench next to the sink. Nudging my legs apart, he positions his hips in the space he's created. Without breaking the kiss, I wrap my legs around him, pulling him in as close to me as possible. He grumbles, thrusting his hips forward, connecting with my most sensitive area. Making me aware of the pulsing need I have to feel him in the most primal way. I'm completely aware of the hardness in his pants, separated from me by two layers of thin fabric. The kiss is spectacular and continues for what feels like hours.

Hands groping, mouths joined, sighs, and moans filling the air. It's the most erotic experience I've had. I'm experiencing more than a physical connection with this man. He somehow reaches into my soul.

There are two sides to every fantasy.

Her side

Every girl has her dirty little secret.

For Sydney, it's her dad's hot, broody boss. But who can blame her?

All she has to do is whatever he wants her to. In exchange, he'll drop the charges against her daddy.

It's an easy decision. Until she realizes he isn't the man she thinks he is.

Hiding underneath the boring, three-piece lawyer suit, and salt and pepper hair is an arrogant man who's possessive, intense, and makes her shiver even when he isn't watching her.

When he isn't around, she finds herself wanting him to be. That's how she knows he has her and that it isn't so easy after all.

What's happening between them is something she can never imagine, or escape.

He's her lover and she's his captive.

The question is, does she want to be saved?

His side

Mysterious playboy and Los Angeles district attorney, Tristan Garrett, always gets what he wants, especially in the bedroom. He handles his "relationships" the way he runs a courtroom, with rules, punishments, and rewards and that's exactly how he wants to handle Sydney Warren.

He's imagined having her in his bed for years. But she's the daughter of his assistant prosecutor and more importantly, she's underage.

He has morals, despite his upbringing.

Good things come to those who wait and with her eighteenth birthday just around the corner, he doesn't have to wait much longer.

Now with her father in prison, she's broke and desperate to free him. So what does Tristan do? What he always does: he uses her misfortune to his advantage.

Will she be his fantasy come true or his greatest downfall?

If you like age-gap, captive romance then read [Daddy's Girl](#).

Readers with daddy issues may want to skip this one.

Ryder | Fallen Brook High School YA Romance Series

PREVIOUSLY IN JAYSON | BOOK 1

My name is Elizabeth Fairchild and I am best friends with three guys: Jayson, Julien, and Ryder.

Jayson and Julien, the silver-eyed twins who stole my heart when I was six years old. They call me their princess. I call them my princes.

Ryder, the amber-eyed daredevil with a kind heart and easy smile. He is my moonshine and I am his starshine.

We all live on the same street and go to the same school, Fallen Brook High. Since we met, I can't remember a day of my life that Jayson, Julien, and Ryder have not been by my side. We grew up together. We were a family.

It's hard for a girl to be best friends with three guys, especially three guys who grow up to become handsome men.

There's only one golden rule to follow: Never fall in love with your best friend.

I just broke that rule — twice.

I fell in love with two of them.

What do I do now?

THEIR STORY CONTINUES IN RYDER | BOOK 2

My name is Ryder Cutton and I've been in love with Elizabeth Fairchild since I was nine years old. But there's a problem. My two best friends, Jayson and Julien Jameson, are also in love with her. Wait, it gets worse. After telling my best friends how I felt about Elizabeth, Jayson went behind my back and stole the girl of my dreams away from me. For the past year, I've had to stand by and watch as he gets to be her boyfriend. He gets her hugs and kisses, her smiles and laughter. Jayson gets everything that should have been mine.

Do you know how hard it is to remain best friends with the girl you are still in love with but can't have, and with the guy who was supposed to be your best friend but broke your trust by stabbing you in the back?

They say that every story has a beginning. I say that every story can be re-written. Perhaps I didn't lose the girl after all.

...

Meet the boys of Fallen Brook High School and the one girl they all fell in love with. Get ready for a roller coaster of a ride of a romance story that will leave you guessing what will happen next and wanting more.

Reader's Note: The Fallen Brook High School YA series is a Young Adult spin-off of the New Adult, contemporary romance series, Fallen Brook by Jennilyn Wyer. The Fallen Brook High School YA series follows a similar story arc as the adult Fallen Brook series but has been edited and the content rewritten to be suitable for a younger audience or adult readers who prefer their romances less steamy and explicit. It does contain some minor bad language and references to underage drinking, intimacy, and social situations. Books 1, 2, and 3 end on a cliffhanger. The series concludes with an HEA. If you would like a more mature, steamy romance with adult themes, check out the original Fallen Brook Series: [All Our Next Times \(Book 1\)](#), [Paper Stars Rewritten \(Book 2\)](#), and [Broken Butterfly \(Book 3\)](#). The adult Fallen Brook Series is for adult readers and contains possible triggers and sensitive matter and is therefore suitable for aged 18+.

Releasing early on March 25!
