MODERN *Sexy* ROMANCE

G'day, !

I am shooketh! I can't believe it's April already. Covid has reached our home, with our eldest boy testing positive. I knew it had to happen at some point, but I think we've done pretty well to have missed it for this long.

I've been incredibly busy writing, editing, designing and trying to master TikTok this past month, so I have heaps of news for you.

I have a title for Max and Molly's story!!!

Yes, you read that right. I announced it in my group last week. I have to admit, I was a little worried that I wouldn't come up with the perfect title, but I think you'll love it. The title fits perfectly with a specific scene. ;)

Max and Molly are currently with the editor, so it won't belong before I can share a release date with you. Early feedback from my alpha readers, Rita and Kelly, has been incredibly positive and I think you're going to fall in love with these two.

Here's a little tease (notice the title at the bottom?!)

In other news, I've been working hard behind the scenes to re-edit and update *Loving Summer* and *Second Chance Summer*. This came about because I'm putting the Twins together into an Omnibus and wanted to write a NEW bonus epilogue to go with it. When I began reading through *Loving Summer* (which was my very first novel) I decided it needed a bit of a touch up. I've learned a lot since that first book and I felt my writing had improved since then. I wanted to polish it a little, which then led to doing the same for *Second Chance Summer*.

I haven't made heaps of changes, just a little more dialogue (for more show and less tell) and improved the readability in both books. More changes were made to *Loving Summer* than *Second Chance Summer*.

You may remember in *Loving Summer*, a side character named Beau was the mechanic that repaired Kate's car. Well, I decided to change Beau to Max to tie into *Stolen Kisses* and now *Moonlit Kisses*. It made more sense, since Kate works with Emma, Max's sister.

I also made the inside of both books a little prettier while I was at it.

New versions of both books in eBook and Paperback are now available on Amazon.

LIMITED TIME ONLY

a FREE gift just for you

I'm giving my newsletter subscribers the opportunity to read ***Forever Kisses*** (Roman's story) for FREE for the next few days. Check the countdown clock below for expiry.

You may be wondering why I would give away a novella for free.

Allow me to explain my reasons.

First and foremost, I would like to thank you for being on my newsletter list. You've put your trust in me to keep your details safe and you've hung in there with me as I've muddled my way through figuring things out.

As some of you may be aware, Roman's story was part of a fundraising anthology. The rights to the story recently reverted back to me, which means it's mine again. YAY!

I plan to extend the story a little more and then it will be put into the Kindle Unlimited program along with the rest of my titles. But I thought, why not give you guys a chance to read it as it is before all of that happens. So, here it is.

This offer is only available for a limited time. So you'll need to act fast. The novella will be sent direct to your Kindle. Follow the instructions below.

NEW RELEASE!

Bonds we Break

Read this sexy, emotional, fast burn, love triangle, rock star romance, featuring a strong female singer songwriter about marriage & divorce.

To have and to hold from this day forward - to love and to cherish, till death do us part - and these are the bonds we break.

My name is Mia Stone. You may know how my story ends, but the truth is buried between the headlines. A secret that was meant to be taken to the grave – Until now.

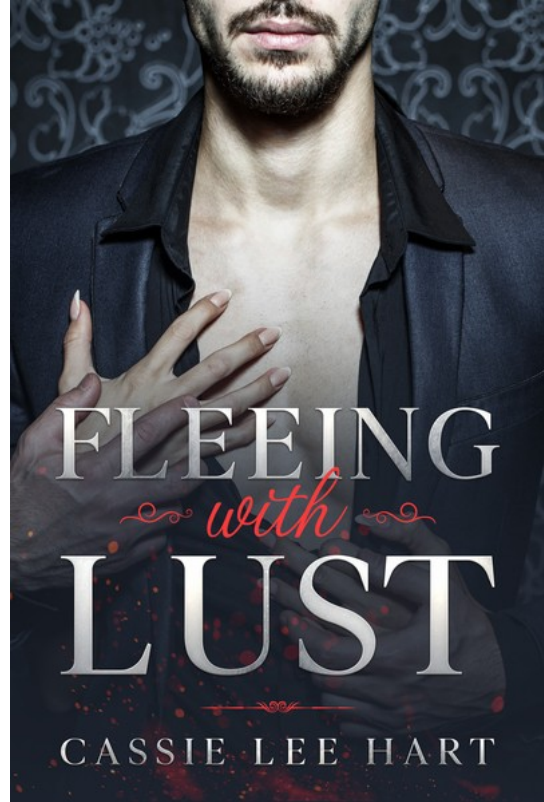

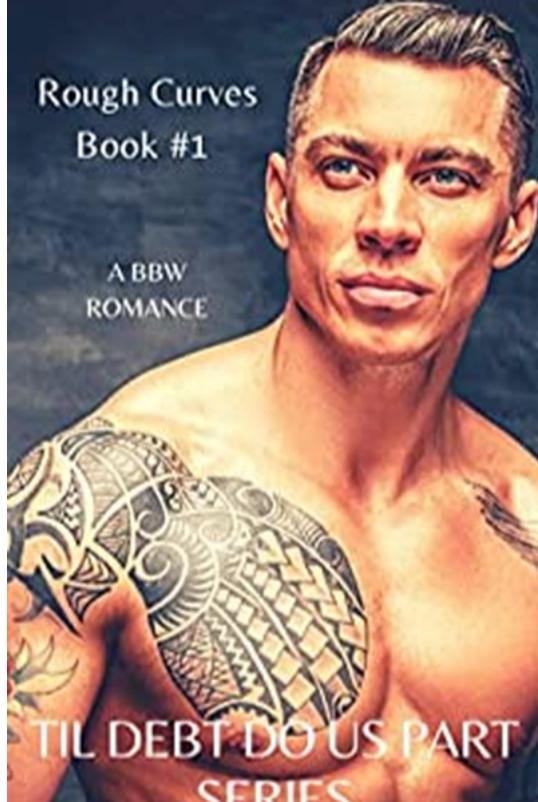

I promised myself to one man, while still in love with another. I came between two best friends and by betraying one, I lost everything. In the

end, we both knew, those bonds were always meant to be broken.

These men want to own me, possess me, or hold me down, but I was never meant to be tamed.

I have been told that I am a force of nature, but even a hurricane comes to an end.
